

Summer Internship - Application Form

Deadline for Receipt - Friday 5th May 2017

At Gilson Gray, we consider attitude and personality as being just as important as technical competence. Our Summer Internship allows you to understand more about the firm, our people and our ambitions and for us to get to know you. It should be regarded as a 2-week long interview for a position as a trainee within the firm.

Read each question carefully. There is no fixed word limit for each question. Please use your best judgement to gauge the appropriate length and detail your answers should contain.
