The legal landscape is changing!

Tired of your traditional law firm? Feeling under valued and bored? So were we.....that's why we formed Gilson Gray, the largest new start full service law firm in Scottish history.

Since launch we have continued to grow in both Edinburgh and Glasgow.

We are therefore looking for senior candidates to join our business. If you are a Partner or Associate level individual, with a proven business development capability and portable client income, we would like to speak to you.

You must be driven and technically excellent in your chosen field. You must also be the type of person that others want to work with.

We run our business in a dynamic and inclusive manner. We do an excellent job for our clients. We have a culture of approachability. If that sounds like you, please get in touch.

We are currently looking for a Corporate Partner/Associate and Debt Recovery Partner/Associate.

If you are interested in joining one of the most progressive legal firms in Scotland, please email our HR Director, Lesley Naylor, at lnaylor@gilsongray.co.uk with a copy of your CV.
